QUESTIONS ABOUT EXCEPTIONS & LIMITATIONS? WE HAVE ANSWERS.

1. WHAT IS THE PURPOSE FOR BUYING THIS INSURANCE POLICY/RIDER?

This Policy is a SPECIFIED DISEASE INSURANCE POLICY. It provides insurance protection only for treatment of Cancer and does not cover any other disease or complication caused or contributed to by Cancer. The optional rider provides coverage only for the diseases listed in the rider terms. This Policy is designed to supplement comprehensive health insurance and is valuable when purchased as an addition to comprehensive health insurance. This Policy will not provide benefits equal to major medical coverage.

2. CAN I RELY ON THE DESCRIPTION OF THE BENEFITS IN THIS BROCHURE?

Yes, however, space limits us to providing only general descriptions. READ YOUR POLICY CAREFULLY since only the Policy provisions (and rider provisions), not this brochure, control. This brochure is only a summary of benefits and exclusions/limitations.

3. ARE THE CAPITALIZED WORDS I SEE THROUGHOUT THE BROCHURE, LIKE "DAY" AND "HOSPITAL" CAPITALIZED FOR A REASON?

Yes, critical definitions of capitalized words are contained in your Policy and (optional) Rider, along with a complete description of all exceptions and limitations.

4. CAN I DECIDE TO CANCEL THE POLICY AT ANY TIME, AND CAN YOU, THE INSURANCE COMPANY, CANCEL IT AS WELL?

You can cancel the Policy by simply not paying the renewal premium at any time. However, elections to pay premiums through pre-tax deductions in an IRS Section 125 plan generally may only be changed at the end of a plan year or after a qualifying event. We, the insurance company, cannot cancel the Policy and guarantee you the right to keep it in force by timely paying your premiums when due or during the Grace Period for your entire life. We do have the right to increase premiums, but only if we do so for all similar policies in your state.

5. HOW DO WE RESOLVE ANY DISPUTE THAT MIGHT ARISE?

If the dispute is over claims, you have the right to have our Claims Appeal Committee review the matter. We have an excellent record at resolving disputes and misunderstandings without any party needing to resort to legal action!

6. CAN I SEND MY POLICY BACK AND GET MY MONEY BACK IF AFTER READING IT I DECIDE I DON'T WANT IT?

Yes. Send it back to us within 10 days for a full refund and the Policy will be voided from its date of issue.

7. WHEN MIGHT A BENEFIT FOR A COVERED DISEASE NOT BE PAYABLE TO ME?

FOR SPECIFIED DISEASE POLICIES and riders, no coverage is provided for the first year after the Policy's Coverage Effective Date (generally, the issue date) for a covered disease that is a Preexisting Condition. (Generally, a Preexisting Condition is a condition for which medical advice, consultation or treatment was recommended by or received from a Physician within the one year period before the Coverage Effective Date.) For Cancer that is First Diagnosed within the 30 days following the Coverage Effective Date, the Express Payment Benefit will not be paid, and benefits will only be paid for any care and treatment of that condition received more than one year after the Coverage Effective Date. Similar rule applies for optional rider where a Specified Disease is first diagnosed within 30 days following the Rider Effective Date. No benefits are provided for care or treatment that is not Medically Necessary. No benefits are provided for conditions that are not covered conditions under the Policy or Rider terms.

8. CAN I RECEIVE TREATMENT ANYWHERE IN THE WORLD AND BE PAID BENEFITS?

Yes.

9. CAN I RECEIVE INSURANCE PROTECTION FOR MY SPOUSE AND CHILDREN?

Yes. Instead of an Individual Plan, you may elect a One Parent Plan to cover you and your unmarried Children or a Family Plan for you, your Spouse and Children as well. Additional premium applies. Each person applied for must meet the underwriting standards to have coverage under the Policy.

10. IS THERE ANY COVERAGE FOR EVENTS BEFORE THE POLICY IS ISSUED OR AFTER THE POLICY LAPSES OR TERMINATES?

The Coverage is provided after the Coverage Effective Date for a Covered Person and until the Policy terminates (other than continuous Hospital confinement for up to 90 Days, as specified in the Policy).
